

INVITATION! INVITATION! PLASTIC WASTES ENTREPRENEURS

Trash to Treasure: Collecting trash for profit to reduce mosquito breeding sites

Who are we?

 We want to work with trash collectors and entrepreneurs to make more profit from trash in order to reduce mosquito-borne diseases in Kwale County.

 We would like to network and train potential entrepreneurs through a 6-month business incubator process to enhance sustainability of these businesses.

Who we are looking for?*

We are looking for aspiring entrepreneurs to re-purpose trash for profit in Kwale County, Kenya.

The entrepreneurs (individual or group) should have the following qualifications:

Required qualifications:

-  Deals in any of the following: collecting, re-designing plastic wastes for better uses, buying or selling plastic wastes for profit making
-  Literate and communicates effectively in Kiswahili
-  Willing to work in Kwale County

***Women and youth are encouraged to apply!**
